

Isocurves measured in footcandles, distances are shown in feet. Horizontal and vertical lighting distributions are approximately symmetrical.

### Curve Number 15

Lamp Suffix	Volts	Watts
-25	6	5.4

#### Horizontal Distribution

Feet From Lamp (Measured on Axis)

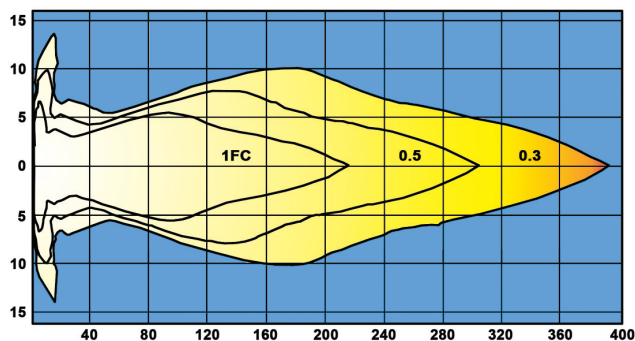

### Curve Number 16

Lamp Suffix	Volts	Watts
-74	12	50

#### Horizontal Distribution

Feet From Lamp (Measured on Axis)

#### Vertical Distribution

Feet From Lamp (Measured on Axis)
